3rd floor at the downtown Reno Masonic Temple

Seekers of light (wheresoever dispersed about the globe),

Please join us for an evening of knowledge, revelry, and Masonic education, we will be discussing ancient Masonic history, because after all...Nevada masonry came from somewhere (e.g., Scottish rite, templars, French masonry, German masonry, Egyptians, etc.).

Moreover, of even greater importance, we will attempt to ponder various Masonic esoteric philosophies and perhaps even some Masonic debate (Egyptian rites, ancient Scottish rituals, the kabalistic teachings) For more light, Call Patrick at 775-354-3819.
