Ms. Green,

My name is Will Wearne, the Master of Wadsworth Lodge # 25 F. & A. M. I would like to take this opportunity to thank you for your timely help to solve an issue for our lodge. Wadsworth Lodge #25 was preparing a meal for the Official Visit of the Grand Master of Masons in Nevada when we realized our meal may make a mess of the attendee's tuxedos.

My wife Taryn set out to see if she could procure some bibs to help divert the errant sauce splashes. Needless to say it was the very day of the visit and we were distressed. We immediately thought of Red Lobster as in the past we have had meals in your establishment much to our delight. You were gracious with our request and donated the much needed bibs to our lodge. We would have been happy to pay for them but you would not have it.

It is most gratifying to know you are a caring and giving person. You are a shining example of generosity and your company will know of your good deed and should be proud to count you among their leaders.

This note will be read in our February Stated meeting and posted on our website (www.wadsworthlodge.com) for all Freemasons to see and perhaps extend thanks in person as future patrons of your establishment.

At this time I would like to ask one more favor of you. Our lodge has an annual Table Lodge meeting (February 20, 2010) where many of the area Freemasons attend. We often solicit donations to local businesses as raffle prizes and as a desired result, to promote business as appreciation for the gifts.

Please consider this request and perhaps donate gift cards or something of your choosing to help promote our event. Attached is a letter to help explain our meeting which is in remembrance of one of our great leaders, George Washington, and in honor of his birthday.

If I or our lodge can be of assistance in any way, please do not hesitate to contact me. I can be reached via our website mentioned previously.

Sincerely,

William J. "Will" Wearne IV
Worshipful Master
